

## ABOUT US

We're very pleased to welcome you in ferrantiweb.com.

Our company, **Ferranti S.r.l.** performing the work with enthusiasm and the highly specialized revolves around **customer satisfaction.**

The quality of our work allows us to have a historical customer which in turn allowed us to develop our market in most of the italian territory.

We turned to the field of **fittings vehicles** such as demountable equipment, crane hoists and platforms; as well folding, manufacture of demountable frames, permanent frames, baskets and ribs.

Prestige, dedication, update, supplies and works sought and treated in detail: all this is part of Ferranti S.r.l.

We are a society of people ready to meet your needs. That's what makes it so always at the center of the italian landscape and for some years also in the european. Our ambition allows us to remain always in step with the times and anticipate.

Ours is a great tradition, **devotion to work** always pushes us to satisfy our customer.

Mario Ferranti, founder of the company, succeeded in small steps to transform a small business in a big company. **Ferranti S.r.l. over 30 years is responsible for: fitting vehicles, demountable equipment, trailers, cranes, production of folding and demountable**

permanent frames, baskets and ribs.
